**SINGLES.** How many No.1 hits have there been where the artist's name is mentioned in the lyrics of that No.1? **Eminem** goes close in his 2001 chart topper *Stan* where the fan addresses him as his alter-ego **Slim** (Slim Shady), but no others come immediately to mind... However, it happens this week with guest vocalist **Wyclef Jean** calling "Shakira, Shakira" in the chorus. Debuting at No.1 in Australia for the second time, **Shakira** has her third No.1 and fourth top 10 single with *Hips Don't Lie* which ends the 8 week run of fellow singer **Rihanna's SOS**. The other newcomer to the top 10 is also a regular visitor. **Alecia Moore** aka **P!nk** debuts at No.6 with *Who Knew* – her 8<sup>th</sup> top 10 single in six years! A couple of Antipodean acts make gains within the top 10 – **Evermore** up from No.7 to No.5 with *Running* and after appearing stalled at No.9 (where it has spent the past three weeks), **Black Fingernails, Red Wine** by **Eskimo Joe** advances two spots to No.7. Former No.1 *Flaunt It* by **TV Rock** slips three spots to No.8, but its 18 week run in the top 10 is the longest since late 2003, when the **Black Eyed Peas** lasted 19 weeks with *Where Is The Love*.

**No.1 HIPS DON'T LIE – Shakira Feat. Wyclef Jean.** Born **Shakira Isabel Mebarak Ripoll** on February 2, 1977, in Colombia. She left home at the age of thirteen for hopes of starting a modelling career, instead she was signed up for a record contract. Lucky she signed that dotted lined too! **Shakira** has had three #1 singles which include her debut track, *Whenever Wherever* (Feb. '02) and *Underneath Your Clothes* (May '02). Plus all of her other singles have charted within the Top 40. *Objection (Tango)* reached #2 (Sep. '02). *The One* made it #16 (Jan. '03) and *Don't Bother* peaked at #30 (Nov. '05). *Hips Don't Lie* has already topped the European, USA and New Zealand charts.

**No.6 WHO KNEW – P!nk.** This is the second single to be lifted off gold accredited album *I'm Not Dead*, which is sitting at #7 this week on the ARIA albums chart. The debut single *Stupid Girls* was an instant hit peaking at #4 in March this year. **P!nk** has been a popular artist since 2000, having a hit single or two almost every year since then. It all started with *There U Go* hitting #2 in June '00, then *Get The Party Started* going all the way to #1 in December '01. *Don't Let Me Get Me* got to #8 in April '02. *Feel Good Time* got one better to #7 in July '03 and *God Is A DJ* reached #24 in February '04.

**No.13 GET TOGETHER – Madonna.** Where do we start with **Madonna**? We can go on and on as she has had countless hit singles and albums, shocked the world with her controversial videos, music and personal conquests. She is truly a star that has an enduring light, for the past three decades **Madonna** has been able to change her looks dramatically to set a new standard for not only herself but also her peers. This is the third single lifted from her #1 album *Confessions On A Dance Floor*, following *Hung Up* (#1 Nov. '05) and *Sorry* (#4 Mar. '06)

**No.18 A SLOW DESCENT – The Butterfly Effect.** Hailing from Brisbane, this four piece consisting of **Ben Hall** – drums, **Clint Boge** – vocals, **Kurt Goedhart** – guitar and **Glenn Esmond** – bass, first broke out of the heavy rock underground in 2001. But it wasn't until the release of *Always* did the start gaining some mainstream attention. *Always* peaked at #49 in January '04 and followed up by *Crave*, which peaked at #59 in November the following year. *A Slow Descent* is the first single to be lifted off their new album *Imago*, out this week.

**No.25 WE'RE COMING HOME – Rogue Traders.** Well the hits just keep on rolling with this bunch! This is their fourth single release, from this weeks #8 album, *Here Come The Drums*. The previous singles lifted from the album, all peaked inside the top 10. *Watching You* (#5 Feb. '06), *Voodoo Child* (#4 Aug. '05) and *Way To Go!* (#7 Nov. '05). It seems after enlisting **Natalie Bassingthwaite** to the mix the **Rogue Traders** can not step one foot wrong. The **Traders** will be touring the nation later this year, kicking off on 17<sup>th</sup> September in Brisbane. Be sure to check them out in a city near you!

**No.30 HORNY AS A DANDY – Mousse T vs. The Dandy Warhols.** This track actually started out as an underground bootleg in France by two producers going by the names of **Loo** and **Placido**. The mash up of *Horny* by **Mousse T** and *Bohemian Like You* by **The Dandy Warhols** is now a fully fledged single. The original version of *Horny* reached #13 in November '98 and *The Dandy Warhols* original, *Bohemian Like You* reached #74 in October '00.

**No.35 FOR YOU I WILL (CONFIDENCE) – Teddy Geiger.** He is a seventeen year old New York native singer / songwriter / actor. **Geiger** makes his debut to the ARIA singles chart this week. The self taught artist started writing songs at the age of eight and by the time he was sixteen had a record deal. He was recently a finalist on VHT's "In Search Of The New Partridge Family" (yet to be aired here). **Geiger's** debut album *Underage Thinking* is out this week.

**No.38 DOWNLOAD THIS SONG MC Lars.** He is a Stanford University graduate that prefers to make hip hop music on his laptop! Born **Andrew Nielsen**, **Lars** wanted to make music that was not ruled by label executives and that stayed true to himself and his generation. So **Lars** released, on his own record label *Harris Records*, music created from start to finish virtually all on his own. He has toured the UK and the USA with his laptop and songs and has gained a huge fan base that would make any superstar batter an eye lid. **MC Lars** makes his debut on the ARIA Charts this week.

**No.48 THE HARDEST PART – Coldplay.** **Coldplay** are certainly no stranger to the ARIA charts! This is their 9<sup>th</sup> top 50 debut in the ARIA singles chart. *The Hardest Part* follows 3 other top 50 hits taken from their latest, four times platinum selling album *X & Y*. *Speed Of Sound* debuted at #9 (Mar. '05), while *Fix You* made it to #25 (Sept. '05) and *Talk* reached #20 (Jan. '06). The band will be here for their much anticipated *Twisted Logic Tour* early next month, supported by Aussie chart toppers **Youth Group**.

**No.60 DANCE! – Goleo VI.** World Cup fever has been sweeping the globe the past couple of weeks and **Goleo VI** is right in the centre of it! This lovable lion is Fifa's official World Cup 2006 mascot and has just made his debut into the ARIA singles chart. The song *Dance!* features **Lumidee** and **Fatman Scoop**, and samples the **Whitney Houston** classic *I Will Always Love You*. **Goleo VI** claims to be the "king of parties" and this track is sure to keep people singing and dancing while celebrating the biggest party in the world.

**ALBUMS.** One week away from the half way point of 2006 and Western Australian trio **Eskimo Joe** debut at No.1 with their first National chart topping album *Black Fingernails, Red Wine*. It is the tenth album to debut at the top so far this year and they are the fourth Australian act to hit No.1 in the past six months, joining **The Living End** (*State of Emergency* in February), **Hilltop Hoods** (*The Hard Road* in April) and **Human Nature** (*Reach Out: The Motown Record* in May). While most of this week's top remains relatively stable, there are two notable exceptions – Leaping from last week's No.29 spot back up to No.8 for its 16<sup>th</sup> week in the top 10 is *Here Come The Drums* by **Rogue Traders**. The album which first appeared last October has been absent from the top 10 since the start of May. On the other side of the coin is the current No.1 album on the US Billboard top 200, *December Underground* by **AFI** which falls from its debut position of No.3 down to the No.10 spot this week.

**No.1 BLACK FINGERNAILS, RED WINE – Eskimo Joe.** The albums chart has documented the path of **Eskimo Joe** (**Kav Temperly**, **Joel Quarterman** and **Stu MacLeod**) from being an aspirational Perth trio to national prominence over the past seven years. **Eskimo Joe** started in 1999 with a self titled mini-album which reached No.26 in their home State and No.94 Nationally. This was followed in 2001 with their first full length album, *Girl* which reached the top 10 in the West and climbed to No.29 in the national ARIA chart (August 2001). This was followed two years ago by *A Song Is A City*, their second full length album which hit No.1 in Western Australia and top 10 everywhere else, netting them their first National top 10 album (No.2 May 2004). This week, **Eskimo Joe's** new album completes their ascent, hitting the top in every ARIA State chart.

**No.14 YELL FIRE! – Michael Franti & Spearhead.** The fourth Australian top 100 album for 39 year old Californian is full to overflowing with social and political commentary, particularly challenging the use of religion and terror to justify killing and war. **Michael and Spearhead** (**Carl Young**, **Dave Shul**, **Roberto Quintana** and **Manos Itane**) were last on the chart three years ago with the Gold accredited album *Everyone Deserves Music* (No.9 June 2003).

**No.15 SUBURBAN SONGBOOK – Bob Evans.** It's been a great week for Western Australian acts – with the new **Eskimo Joe** album debuting at No.1 and this, the debut solo side project for **Jebediah** frontman **Kevin Mitchell** (aka **Bob Evans**) making its first chartfall at No.15. Not surprisingly, it is charting best in the West (where it is at No.5). This is consistent with his four chart albums with **Jebediah** which all performed better in his home State, hitting either No.1 or No.2 in Western Australia.

**No.42 THE BIG BANG – Busta Rhymes.** Highly respected and sought after in the US East Coast Rap community, the CV of 34 year old **Trevor Smith Jr.** aka **Busta Rhymes** boasts many more Australian chart appearances as guest artist (for the likes of **Sean Paul**, **Wu-Tang Clan**, **Luther Vandross** and **Mariah Carey**) than under his own name. In fact, this is only his second Australian top 100 chart album from ten years of releases, his other being *Genesis* which peaked at No.62 in March 2002.

**No.53 REST INSIDE THE FLAMES – 36 Crazyfists.** With a name deriving from the title of a 1977 **Jackie Chan** film and a style they describe as "melodic metal" this quartet formed in Anchorage, Alaska, in 1994 before relocating to Portland, Oregon, where they are currently based. This, their Australian chart debut, is the third album for the band comprising **Brock Lindow** (vocals), **Steve Holt** (vocals / guitar), **Mick Whitney** (bass) and **Thomas Noonan** (drums) following *Bitterness The Star* (2002) and *A Snow Capped Romance* (2004).

**No.95 YEAH! – Def Leppard.** Here's a bunch of old rock geezers who first hit the Australian charts (albeit briefly) in 1980. Their popularity here reached a peak around ten years later when they had a pair of No.1s – the quadruple Platinum *Hysteria* (released in 1987, No.1 for 3 weeks in Winter 1989) and then *Adrenalize* (No.1 on debut, in April 1992). Their last chart appearance came almost 3 years ago in August 2002 when they hit No.49 with the album *X*.

**No.99 RODRIGO Y GABRIELA – Rodrigo Y Gabriela.** Originally from Mexico, **Rodrigo Sanchez** and **Gabriela Quintero** moved first to the European mainland (Denmark and Spain) before settling in Ireland. Although they met in a thrash metal band, their success has been as flamenco styled instrumentalists. This Irish No.1 hit is their third album but first to chart here in Australia.
